# Project gallery

"My designs are all about user-friendliness and accessibility."

Project #1

# Wallpaper App Design

Designed a clean, user-friendly wallpaper app with categorized wallpapers, search and favorites section for a seamless experience.

Project #2

# Anti-Theft App Design

Designed a secure and intuitive anti-theft app with motion detection, anti-pocket alert and battery level alert etc. ensuring user protection and ease of use.

Project #3

# Event Management Website

Designed a modern and user-friendly event management website with seamless event booking and scheduling ensuring a smooth user experience.
